OT-4986**Amendments to the Specification:**

Please replace paragraph [0053], beginning at page 12, line 21, with the following amended paragraph:

- (1) [0053] In one example, the selected jacket material is a waxless polyurethane. The polyurethane material used for the jacket in such an example does not include the wax additives normally added by polyurethane manufacturers. The owner of this application has a co-pending patent application on such an elevator belt assembly, which has serial number \_\_\_\_\_, number 09/921,803 filed on \_\_\_\_\_ on August 3, 2001, which has been published as U.S. Published Application No. US 2003/0024770. The teachings of that specification are incorporated into this description by reference.
